Financial Policy and Chiropractic Active Life Plans

We are committed to providing you with the best chiropractic care possible in a caring environment and have established our financial policies to achieve that goal. You will be expected to pay for your chiropractic care at the time the service is rendered unless you arrange an Active Life Plan in advance. Active Life Plans include yearly Corrective Adjustment Plans (CAP), monthly CAPs, weekly CAPs, or extended payment plans. These Active Life Plans are designed to be the most cost effective way to keep you and your family as healthy as possible. Details of these plans will be discussed with you during your Chiropractic Report.

Health Insurance: If you have insurance that covers chiropractic and you are like most of our patients and choose to participate in one of our Active Life Plans we will file your insurance for you. We will also call to verify your insurance coverage for you, however, remember your agreement with your insurance company is between you and them.

I have read and I understand the above policy.
